Dear Friends,

We are privileged to lead an organization supported by so many generous and dedicated individuals and businesses committed to making a difference in our community.

Thanks to you, children are succeeding, families are stronger and older adults are living independently. Your commitment to United Way allows programs and initiatives to operate throughout Berks County to help more than 100,000 local people.

Through your continued support, you share the LIVE UNITED spirit every day in so many ways and allow us to achieve key milestones:

- By working closely with agency partners, we fund more than 50 crucial programs that touch and change lives for the better. In addition, United Way leads community initiatives like 2-1-1, which is a free information and referral service connecting Berks Countians to community resources, including child care, health programs, food banks, services for older adults and more. By calling 2-1-1 people are connected to the help they need. The service is now available 24/7 and is staffed with bilingual representatives.

- More than 1,400 volunteers provide leadership, expertise and guidance to United Way and extend our resources to accomplish more than we ever thought possible. United Way’s Volunteer Center links individuals and groups to community service and volunteer opportunities throughout Berks County.

- More than 350 trained Ready.Set.READ! volunteers work weekly with 475 elementary students to help them become better readers. This work would not be possible without the partnership with 29 elementary schools within 12 school districts.

- The volunteers and participants involved in Blueprint for Leadership Program are committed to cultivating diverse talent and leadership to strengthen nonprofit committees and boards.

- Generous individuals, companies and foundations provided support to the 2014 Campaign and helped us exceed the campaign goal by raising nearly $9.6 million.

- We celebrate over 4,200 Loyal Contributors who have invested in United Way for 10 years or longer - - collectively giving nearly $4 million.

- And, we have 20 Partners for the Future members who have chosen to make a legacy gift to United Way through their will or other planned gift.

All of this and more is made possible because of you.

On behalf of the entire organization and those receiving help through United Way funded programs,

thank you for all you do.
Our community is a special place. Berks Countians work together to improve lives and strengthen our county.

Giving to United Way comes in many ways, including workplace giving, individuals gifts, legacy giving, corporate gifts, stocks and more. Each gift means our community is a better place to live for everyone.

Thank you for helping raise nearly $9.6 million and serving as an important partner in advancing United Way’s work.

- **The United Way of Berks County Tocqueville Society**, which is made up of individuals who personally contribute an annual gift of $10,000 or more, represents 21% of the total annual campaign. The 134 Tocqueville members contributed just over $2 million. United Way’s Tocqueville Society provides an exceptional commitment to United Way’s mission and work.

- **The Pacesetter Program** is integral to the success of the annual campaign and represents more than 25% of the total 2014 campaign, with 1,460 members contributing an annual gift of $1,000 or more. In 2014, these individuals collectively contributed more than $2.44 million.

- **The 2014 Community Leaders Challenge Match**, which provided $200,000 in matching dollars allowed leadership giving donors to maximize their contributions. The match was generously supported by Colonial Oaks Foundation, Stevens & Lee/Griffin, The UGI Companies and one anonymous donor.
There’s no one way to create lasting, generational change. And that’s the kind of change we’re talking about when we tackle complex interconnected issues like school readiness, reading proficiency, financial stability, helping people meet basic needs and leading healthy lives. So, United Way funds high priority and high performing health and human service programs throughout Berks County within four focus areas: Education, Income, Health and Safety Net Services.

Thanks to the community’s support, we are proud to invest in more than 50 local programs to help more than 100,000 local people. More than 70 volunteers — people like you — invest hours of their time and expertise to identify the best possible community investments. The volunteers evaluate each funded program’s performance on an annual basis.

* United Way of Berks County believes prudent and responsible management requires the organization to establish and maintain an unrestricted net asset balance sufficient to provide working capital and adequate liquidity in the event of unexpected events affecting revenue generation and cash flow. The balance is within the target level of three to six months of distributions and expenses.

** Committed to service allocations and operations for future years.

*** Non-Operating Expenses are pension related changes. The plan was hard frozen December 31, 2012 and no benefits are being accrued.
Ready.Set.READ! continues to progress as United Way and the community focus on improving early grade reading proficiency.

Third grade reading proficiency is a primary indicator of a child’s academic and future success. Locally, more than a quarter of Berks County 3rd graders are not reading at a proficient level as measured by recent PSSA’s. Children who do not read proficiently by the end of third grade are four times more likely to drop out of high school and 13 times more likely to drop out if they are also living in poverty.

Star Readers, the volunteer tutoring program component, has over 350 trained volunteers, including corporate employees, college students, retired educators and community members. They volunteer at 29 elementary schools within 12 school districts: Antietam, Brandywine Heights, Conrad Weiser, Daniel Boone, Exeter, Governor Mifflin, Hamburg, Kutztown, Muhlenberg, Oley Valley, Reading and Schuylkill Valley. The tutors work with nearly 500 first, second and third graders needing assistance to become proficient readers, as measured by 3rd grade PSSA reading scores. Additional growth is anticipated for the 2015-16 school year.

Implementing school-readiness activities for pre-school children led to the development of the Growing Readers program. Growing Readers is an early literacy program developed to implement structured preschool curriculum in predominately Latino operated childcare centers. It is aligned with the Pennsylvania Department of Education 2014 Learning Standards for Early Childhood. The program focuses on providing direct support to identified childcare centers servicing children 3-5 years of age. The curriculum teaches and strengthens skills in preparation for entry into kindergarten.
The Ready.Set.READ! Board of Directors provides leadership and guidance to the development of this work. The governance group represents varied community sectors and consists of more than 40 individuals. Sharon Danks, Tweed-Weber, Inc. serves as the Chairperson.

Capital Area Intermediate Unit was engaged to conduct an independent evaluation of the initiative’s development and implementation. The report provides confirmation of the potential for the program to have meaningful impact on improving struggling readers’ proficiency and contributing to achievement of the Ready.Set.READ! 10-year goal of 90% of Berks County’s third graders reading proficiently by 2023. Examples of key findings include:

- The DIBELS words-correct-per-minute (WCPM) indicator revealed that 41% of the participating second grade students moved from strategic to proficient.

- The DIBELS accuracy indicator identified that 44% of the participating second grade students moved from strategic to proficient.

Looking Ahead to the 2015 Campaign
United Way of Berks County is grateful for the overwhelming support and generosity of our leadership giving donors and committed volunteers. The leadership giving component of the campaign generates more than $4.4 million and represents 47% of the overall campaign. The gifts from the members of both the Tocqueville Society (annual gifts of $10,000+) and the Pacesetter Club (annual gifts between $1,000 and $9,999) are vital in ensuring the success of the campaign.

2015 Community Leaders Challenge Match
United Way is pleased to announce the 2015 Community Leaders Challenge Match supported by The UGI Companies and two anonymous donors. This $200,000 challenge match provides a great incentive to current leadership givers and prospective leadership givers to multiply the impact of their gift. All new and increased giving within both the Tocqueville Society and the Pacesetter Club will be matched as follows:

• New Tocqueville and Pacesetter gifts will be matched in their entirety.
• Level increases within both programs will be matched in their entirety.
• Incremental increases within both programs will be matched.
• Tocqueville Step-Up Program: Donors who commit to a pledge of $5,000 in 2015, $7,500 in 2016 and $10,000 in 2017 will be welcomed into the Tocqueville Society in 2015. The challenge match will augment the gifts in 2015 and 2016 by providing the additional $5,000 and $2,500, respectively.

United Way of Berks County Tocqueville Society

The Tocqueville Society is a leadership giving and recognition program that exists to foster, promote and recognize the vital importance of community commitment and personal giving at an exceptional level. The Society honors Alexis de Tocqueville, the Frenchman who wrote so enthusiastically of the American spirit of volunteerism and effort for the common good. Members of the Tocqueville Society generously contribute $10,000 or more on an annual basis.

United Way of Berks County’s 134 individuals/couples contributed more than $2 million during the 2014 annual campaign. We are privileged to rank second in membership nationwide when compared to like-sized communities. Additionally, we are pleased that 85% of our Tocqueville members are Loyal Contributors who have been giving to the United Way for ten or more consecutive years. We sincerely appreciate the outstanding generosity of the members of the United Way of Berks County Tocqueville Society.
