YOU!

Dear Friends,

We are inspired by you. You are the game changers. In 2017, volunteers rolled up their sleeves by packaging meals at Big Cheese and supporting projects all over the county through Day of Caring. Other volunteers supported projects on an ongoing basis by being involved in Ready.Set.READ! and Emerging Leaders United. Our reach was extended in the community through company-led volunteer projects. More than 2,800 volunteers dedicated nearly 46,000 hours to help thousands of people through the gift of time.

Our focus on impact is fueled by volunteers who provide leadership and strong oversight to invest campaign dollars in programs that are meeting critical needs and demonstrate strong performance. A complete listing of these programs and our agency partners is included in this report. Last year, more than \$500,000 was also provided to organizations in the form of one-time grants.

Community Impact requires resources and the annual campaign is the critical mechanism to raise funds. The keys to the 2017 campaign's success included the leadership of Pat and Meg Shields and the dedication of the Campaign Cabinet and Loaned Campaign Specialists, along with the sheer generosity of people throughout workplaces and from all walks of life who give to help those in need. More than \$10.5 million was raised, exceeding all expectations.

It is clear Berks County boasts the most caring individuals anywhere, and every act of generosity makes a significant and lasting difference in the lives of our children, families and older adults. We are honored to join you - - remarkable volunteers, donors and partners - - to serve this community the *United Way*.

GRATEFUL

Pat and Meg Shields, 2017 Campaign Co-Chairs, led a team of volunteers, partners and donors to achieve a successful campaign, which allows United Way to invest in a broad range of high priority and high quality programs throughout Berks County.

THANK YOU FOR YOUR SUPPORT!

Your support is what drives United Way's work and accomplishments. We are grateful for your generosity, leadership and teamwork.

This past year's campaign raised over \$10.5 million and included an incredible **\$500,000 Challenge Match provided by John and Karen Arnold through the Kindness Coalition Foundation and the Shields Family Fund through Meg and Pat Shields.** This gift generated tremendous growth in leadership giving. Additionally, we were honored to receive a special gift of \$150,000 from Terry McGlinn, who shared his generous support and commitment with United Way throughout his life.

Your caring and generous spirit allows us to turn campaign funds into critical services which help and improve the lives of over 100,000 people annually.

The LCS group is the backbone of the annual campaign.

By contributing to United Way's Community Wide Care Fund, more than 100,000 local people receive help through over 50 funded programs with our agency partners, our initiatives and grants.

Last year, more than \$10.5 million was raised to support community needs and invest in high priority and high performing programs.

How Does United Way Make a Difference?

AGENCY PARTNERS

United Way works closely with **34 agency partners** and provides funding for a broad range of programs within the focus areas of: **Education, Health, Financial Stability and Safety Net Services.**

Programming includes: youth development, after-school programming and mentoring, services for older adults, physical and mental health programs, disaster response and more.

READY.SET.READ!

We're helping kids become better readers to achieve greater academic and future success. United Way manages this community initiative and partners with the educational community, businesses, community organizations and volunteers.

Over 400 trained volunteers tutor nearly 500 students in 29 elementary schools, within 12 school districts as part of the Star Readers program within the initiative.

Additional RSR components:

- Raising A Reader
- Growing Readers
- Opening Doors
- Reach Out and Read
- Neighborhood Bridges

INITIATIVES

The Volunteer Center links individuals and groups with volunteer activities throughout Berks County. **2-1-1** connects people to the help they need with a single phone call. *Bilingual service, 24/7, or by texting your zip code to 898211.*

FamilyWise Discount Prescription Drug Program for those without prescription drug coverage and may reduce costs for those with coverage.

GRANTS

We expand our work by awarding Rapid Response, Venture and LIVE UNITED grants. The grants support unanticipated changes jeopardizing a program's effectiveness, expand programming and focus on grass-roots programs.

Recent grants focused on: **several community programs addressing food insecurity** and nutrition education, as well as a Day Center to support homeless individuals, an educational therapeutic program for kids, literacy opportunities for homeless youth, mentoring programs, prescription assistance for those unable to afford medications and a program supporting animal-assisted therapies for veterans.

COMMUNITY CONVENOR

We bring people and organizations together around community needs, including the **Summer Learning Coalition** to address "summer slide" and the **Oakbrook Collective Impact Council.**

We connect people to volunteer opportunities throughout Berks, as well as mobilize volunteers for events, such as **Day of Caring**, a county-wide day of volunteering, and **The Big Cheese**, which supports the community's food needs.

By working with our agency partners, as well as collaborating with businesses, the educational community, donors, volunteers and community partners, we help children succeed in school, work with families to become financially stable, promote healthy lifestyles and help those most-in-need.

Thanks to the community's support, we are proud to invest in more than 50 local programs to help more than 100,000 local people.

Nearly 70 volunteers — people like you — invest hours of their time and expertise to identify the best possible community investments. The volunteers evaluate each funded program's performance on an annual basis.

Additional program investment details can be viewed at GuideStar.org and view IRS form 990.

IMPROVING LIVES...

Early grade reading success leads to future academic and life success. This is why United Way and Ready.Set.READ! (RSR) are committed to working with the educational community, businesses, volunteers and community partners to put children on the path to greater achievements.

During the past year we engaged Lectio, a Boston area-based consulting organization with expertise in community literacy programs, to advance the quality of RSR. Lectio worked with RSR stakeholders to guide analysis around program design, resources and goals.

Moving forward, work will focus on developing a standardized approach around the initiative's **Star Readers** program where trained volunteer tutors work with elementary students in 29 schools within 12 local school districts. In addition, we will seek to enhance the Raising a Reader component.

RSR's **Growing Readers** program aims to build a foundation of literacy skills for pre-school children, in partnership with Latino-centered childcare centers located in Reading. **This past year, United Way partnered with Reading Area Community College to establish the Early Childcare Provider Training Incentive Program to tackle staff retention, a common challenge facing childcare centers.** By implementing an education and stipend incentive-based professional development component, we are working towards the following goals:

- Assist teachers in obtaining a Child Development Associate Credential (CDA) with college credit
- Provide support to ensure success
- Encourage continued education beyond the CDA
- Retain trained teachers in each center

The program includes Norma De Hoyos' Daycare 2, YMCA – Reading Branch, and Opportunity House – Second Street Learning Center employees. The program launched in August 2017 with 12 candidates. This initial program serves as a pilot to learn best practices for future efforts around this work.

“Books for Bikes” Aims to Reduce Summer Learning Loss

Reading Housing Authority, Berks Community Health Center, Reading School District and Ready.Set.READ! partnered to support the lunch and literacy program for the Oakbrook Community. RSR staff members

and volunteers, along with residents and community volunteers, engaged the children in daily literacy activities to combat summer learning loss. Additionally, there were several residents and others from the surrounding neighborhood who volunteered daily to assist the children in their activities and throughout the lunch period. Over 160 children attended the program with an average of 40 – 45 children per day participating in literacy activities (reading, learning games, worksheets, etc.). Ultimately, over 30 children earned a bike and helmet generously provided by **Customers Bank**. In addition, all children received backpacks and school supplies donated by Reading Truck Group employees.

Strengthening Neighborhoods

Over the past two years, United Way of Berks County has been working with the Oakbrook community on issues, such as early grade reading. In June 2017, a door-to-door survey was conducted to find out what Oakbrook residents share as their needs and concerns related to health, education, employment and other needs. Nearly 40% of the 500+ households participated in the survey. These survey results were shared through a Data Walk called “Oakbrook Speaks” in October 2017.

What are the next steps? How do we try to address the needs identified through the survey of Oakbrook residents?

United Way of Berks County is assisting in organizing the Oakbrook Collective Impact Council to prioritize the identified needs and coordinate collaborative efforts to respond to what Oakbrook residents identified as their critical issues.

This is a multi-year process, where the group looks to address the root cause of an issue and works to create cultural shifts.

We're growing! ELU has gained 100 new members, and there are now over 450 young Berks Countians better connected to United Way and our community.

We have a lot to celebrate!

ELU members have participated in a total of 32 events, with a majority of them centered on volunteerism. The desires of an Emerging Leader United member are to make a difference in their community while growing personally and professionally. Members achieved this through hosting a Holiday party for the Olivet Boys and Girls Club, participating in Day of Caring, packaging food with the Greater Berks Food Bank, and working with Big Brothers Big Sisters. The ELU members gained increased personal development through an opportunity to spend the night networking with members from the Tocqueville Society hosted by Enersys.

Focus on Leadership Giving Looking Ahead to the 2018 Campaign

United Way of Berks County is grateful for the tremendous support and generosity of our leadership giving donors and committed volunteers. The leadership giving component of the campaign generated more than \$5 million and represented 48% of the campaign. These leadership gifts are critical to ensure the success of the overall campaign. United Way of Berks County applauds the 1,694 individuals and/or couples who generously support the leadership giving program.

A Year of Chocolate by Godiva Chocolatier, Inc.

All leadership givers in attendance at the Leadership Giving Recognition Event are eligible to win a “sweet treat.” Five lucky winners will receive delicious chocolates delivered on a monthly basis. Special thanks are extended to Godiva Chocolatier, Inc. for this generous incentive for our leadership givers.

2018 Community Leaders Challenge Match

United Way of Berks County is pleased to announce the 2018 Community Leaders Challenge Match supported by two longtime donors who prefer to remain anonymous. This \$350,000 challenge match will provide great incentive to current leadership givers to increase their annual leadership gift and to prospective leadership givers to join our Leadership Giving program. All new and increased Tocqueville and leadership gifts will be matched as follows:

- New Tocqueville and leadership gifts will be matched in their entirety.
- Level increases within both programs will be matched in their entirety.
- Incremental increases within a level in both programs will be matched.
- Tocqueville Step-Up Program: Donors who commit to a pledge of \$5,000 in 2018, \$7,500 in 2019 and \$10,000 in 2020 will be welcomed into the Tocqueville Society in 2018. The challenge match will augment the gifts in 2018 and 2019 by providing the additional \$5,000 and \$2,500, respectively.

Leadership Giving Recognition Event

All leadership givers are invited and encouraged to attend the annual Leadership Giving Recognition Event on Wednesday, October 24, 2018 from 5:30-7:30 p.m. at the DoubleTree by Hilton Hotel Reading. LEADERSHIP GIVING

United Way of Berks County Tocqueville Society

The Tocqueville Society is a leadership giving and recognition program that exists to foster, promote and recognize the vital importance of community commitment and personal giving at an exceptional level. The Society honors Alexis de Tocqueville, the Frenchman who wrote so enthusiastically of the American spirit of volunteerism and effort for the common good. Members of the Tocqueville Society generously contribute \$10,000 or more on an annual basis.

United Way of Berks County's 145 individuals/couples contributed more than \$2.48 million during the 2017 annual campaign. We are privileged to rank second in membership nationwide when compared to like-sized communities. Additionally, we are pleased that 86% of our Tocqueville members are Loyal Contributors who have been giving to the United Way for ten or more consecutive years.

We sincerely appreciate and applaud the overwhelming generosity of the members of the United Way of Berks County Tocqueville Society.

OUR VOLUNTEERS ARE THE BEST!

They help us identify and support community needs and help others through our annual volunteer events, such as Day of Caring and The Big Cheese, which supports the community's food needs. This past June, 1,000 volunteers packaged 500,000 mac and cheese meals to help local people in need.

Our volunteer center is the one-stop resource for volunteering. eVolunteer is our online matching tool connecting interested volunteers with available opportunities. Visit uwbers.org to learn more and find the right opportunity for you.
