Using Social Media in Your Campaign

Post and tweet photos and videos of you campaign activities, including committee meetings and wrap-ups, on your organization and personal accounts. Be creative! And don't forget to tag **@uwberks** and use our hashtags.

Post and tweet personal stories of how United Way has touched lives in your organization, whether someone has received UW services, volunteered or witnessed United Way in action. Comment on posts and tweets related to United Way's work.

Share, share, share! Shares and retweets showcase your organization's efforts and spread the United Way message.
