Impact in Action

Dorothy is 91 and lives on her own. She uses a walker, which makes grocery shopping and cooking difficult. Dorothy is grateful for Meals on Wheels, a United Way funded program. She receives a healthy meal each weekday delivered by a friendly volunteer. Staying in her home is important to Dorothy and receiving meals supports her independence. It also means someone is checking in on her...another set of helping eyes giving her family peace of mind. Dorothy is thankful, "The meals help me stay healthy, and I don't have to do the dishes," she says jokingly. Your United Way support helps Dorothy and many others! **TOGETHER, we change lives!**
