The IMPACT of your 2023 Gift!

Willie is 98 and treasures living in her own home and spending time with family. She is committed to a healthy lifestyle which includes routinely lifting small weights to maintain muscle. Even so, she faces health issues which makes cooking for herself unsafe. Willie turned to Meals on Wheels, funded by United Way of Berks County, for help. Because of your support she receives nutritionally rich meals each weekday, delivered by volunteers. The volunteers keep an eye on Willie and report any concerns while also providing a friendly visit; often her only visit of the day. Willie remains in her home, in part, because of Meals on Wheels. She is one of 190,000 people who receive help because of your generosity and support.
