We support children and families impacted by foster care, which includes foster, adoptive, kinship, & biological families on safety plans from the county. We provide free duffel bags, called Dignity Duffles, to eliminate the use of trash bags for our children's personal items when moving to a new home. We also provide Bags of Hope, which are drawstring bags filled with items a child might need when an emergency removal of a child needs to occur. Lastly, we provide a foster-share closet where families can shop for free for clothing, toys, books, baby gear, etc. Please check out our website for more information:
