

THE POWER OF TWO (DOLLARS)

Have you ever wondered if a pledge of \$2 per week really matters?

The answer is YES!

A pledge of \$2 a week is a powerful way to make an impact in our community. These are just some of the ways:

\$2 a week connects a little girl and her family with early intervention services, which helps her access therapies and other important services.

\$2 a week provides one student with six months of after school programming in a safe environment that promotes academic success

\$2 a week helps two individuals earn a second chance after incarceration through a program that provides life skills and workforce training.

\$2 a week gives a survivor of domestic violence two nights in a safe, secure emergency shelter and access to supportive services.
