

HELP FOR TODAY. HOPE FOR TOMORROW. UNITED FOR GOOD.

I am proud of [Insert organization] and everything we've accomplished in the 2026 United Way of Berks County campaign.

Because of your generosity, we raised \$_____ to help strengthen our community. That support is making a real difference helping children learn and grow, supporting families as they work toward stability, and ensuring our neighbors have access to help when they need it most.

This kind of impact only happens when people come together. It takes all of us, and I am grateful for the role each of you played in making this campaign a success.

Thank you for your continued generosity and what it means to care for our community.

Sincerely,

STORIES OF HOPE

Hope and healing are only a step away when the community stands united.

As someone experiencing the aftermath of a stroke, one local Berks County resident faced a health crisis. After losing his job because of his symptoms, he was denied disability.

But hope wasn't lost. **Through the support of the United Way of Berks County, the Boyertown Area Multi-Service** was able to help him regain stability with emergency rental assistance and a new job opportunity.

Fast forward to today, this local resident is celebrating a promotion at work and saving for his own apartment.

This neighbor's experience is just one of many examples that the right support from our community can turn a crisis into a comeback story.

"If it weren't for this connection, I would have been jobless. It's been amazing—my supervisor says I am setting the gold standard for other employees. It's unbelievable. I can't thank you enough."
