2025-26 ANNUAL REPORT

BERKS UNITED FOR BETTER.

Dear Friends,

As we look back on the past year, one thing is clear: United Way's impact is only possible because of YOU. Your generosity, trust, and commitment are helping young people thrive, strengthening health, creating stability, and providing support in times of crisis.

This report tells the story of what happens when neighbors, donors, volunteers, and community partners come together around a shared purpose. Through your support, children are gaining a stronger start in life, working families are finding opportunity and stability, and neighbors facing difficult circumstances are discovering hope and connection.

Last year, we celebrated a remarkable milestone, United Way of Berks County's 100th anniversary. Throughout the year, we reflected on a century of compassion and community impact while looking ahead to the future we are building together. We are grateful to Anniversary Chairs Sue and Craig Perrotty, Honorary Chairs Carolyn and Jerry Holleran, and Honorary Staff Chair Karen Rightmire for their leadership in making this celebration so meaningful. We also extend our sincere appreciation to the many individuals and organizations whose generosity supported the Anniversary Campaign and helped

create a strong foundation for United Way's next century of service. Anniversary Campaign supporters are recognized on pages 9.

Thank you for believing in United Way and the power of community.

We hope you read this report with pride in what we have accomplished together and with excitement for the opportunities ahead. The challenges facing our community continue to evolve, but so does our commitment to bringing people together, responding to emerging needs, and creating lasting change. 

With gratitude,

FOCUS AREA | EMPOWER YOUTH

More Than a Building: Henry's Path to Belonging

The place we call home is far more than a building, it's where we feel most safe. But for some youth in our community, the concept of home has always seemed distant. In 2023, 16-year-old Henry and his brother turned to their school counselor after when living at home was not a safe option. Through support

from United Way of Berks County and opportunities made possible by generous donors like you, Mary's Shelter offered the brothers housing, education, and social services.

Soon, they were able to experience many of life's "firsts" like going to the movies, cheering on sports teams, and cooking. But for Henry, the most important thing was home.

"It was my first time in a place that's safe with friends and people who care. They help me when I need it and are always just 'there' for us," Henry shares.

As an 18-year-old high school graduate, he has big dreams to share what he's been given and go to college to become a teacher. This youth's journey from a homeless teen to a college student is a snapshot of the power of our community when we come together to support the next generation.

Empower Youth: 91% of youth served were promoted to the next grade level.

HANDS TOGETHER. HEARTS TOGETHER.

Thanks to YOUR support, funds are invested in 80+ programs to help more than 190,000 local people.

Volunteers – people like you – devote significant hours of their time and expertise to identify the best possible community investments. The volunteers evaluate each funded program's performance on a regular basis.

Additional program investment details can be viewed online at [Candid.org](https://www.candid.org) and on the IRS form 990.

FOCUS AREA | BUILD STABILITY

For Doug Dimmig, education once felt out of reach.

As a young father, he left high school to care for his children. While navigating life as a single parent, finishing his education or advancing at work seemed impossible. With support

from the Literacy Council of Reading-Berks, made possible through United Way of Berks County and donors like you, Doug took the first step toward a brighter future. In just eight months, he earned his GED, opening the door to college, earned an associate degree and now pursuing his bachelor's degree in business management. Today, Doug is building his career and gaining greater financial stability for his family.

READY.SET.READ!

BETTER BERKS STARTS WITH YOU.

Building readers. Growing leaders. Changing Lives.
See it here: <https://tinyurl.com/uwayberksreaders>

United Way, in partnership with the Early Learning Resource Center, is helping local childcare centers improve quality and increase their Keystone STARS rating through Pennsylvania's quality rating and improvement system for early learning and school-age programs.

Programs are rated from STAR 1 to STAR 4, with STAR 4 representing the highest level of quality. Today, in United Way's focus area there are 20 STAR 4 centers. United Way supported 15 of those centers in achieving this distinction, helping ensure that thousands of children have access to high-quality early learning experiences that prepare them to enter kindergarten ready to learn and succeed.

Through United Way's Growing Readers program, educators gain new skills and credentials, and childcare centers enhance their quality to create learning environments that help children enter school ready to succeed.

UNITED FOR LASTING CHANGE.

United Way partners with Reading and Governor Mifflin School Districts to deliver a phonics-based reading curriculum through Read Alliance. Based on a successful New York model, the program recruits, trains, and provides paid work experience for high school students who serve as after-school tutors, working one-on-one with young struggling readers.

This unique, dual-impact program creates measurable literacy gains for elementary students while helping Teen Leaders develop leadership, communication, and workforce skills that prepare them for future success.

To further support and invest in our Teen Leaders, United Way hosted the inaugural Read Alliance Youth Summit, sponsored by Customers Bank, celebrating the unstoppable spirit of these young leaders while elevating youth voice, leadership, and exposure to a wide range of careers and life pathways.

Since launching Read Alliance, United Way has engaged 545 Teen Leaders who have supported 754 young readers. By bringing together schools, students, volunteers, and community partners, United Way is improving literacy outcomes, developing future leaders, and creating brighter futures across Berks County.

Leadership development took center stage at the inaugural Read Alliance Youth Summit, where featured speaker Jay Sidhu, Executive Chairman of Customers Bank, shared lessons on perseverance and resilience drawn from his book, *Never Ever, Ever Give Up*.

United Way's Read Alliance program pairs high school Teen Leaders with first-grade students for one-on-one reading support. The result: students in every participating Reading School District elementary school achieved a full year of reading growth in just 15 weeks.

This summer, 15 Read Alliance Teen Leaders are enrolled in two college courses through Reading Area Community College. Several graduating seniors will complete high school with 12 college credits already earned. As these young leaders help shape brighter futures for younger students, they are building brighter futures for themselves as well.

United Way's investment in education is creating brighter futures by ensuring children have the support they need from the very beginning to learn, grow, and thrive.

When we add the support of our **Educational Improvement Tax Credit (EITC) supporters and our Neighborhood Assistance Program partners**, this work is reaching more children and families than ever before.

**LEADERSHIP
UNITED**

“When people step forward to lead, nonprofits become stronger, collaborations become more effective, and our community is better positioned to address its greatest challenges.”

~ Tammy White, President

OUR COMMUNITY. OUR PURPOSE. OUR FUTURE.

We're developing leaders and lasting impact through these programs:

- **Blueprint for Leadership** prepares individuals from a wide range of backgrounds for community leadership roles through an 6-week program, meeting one day a week. A recent graduation celebrated 11 individuals completing the program.

- **Emerging Leaders United (ELU)** celebrated its 10th Anniversary in October, 2025 with a panel-led discussion and networking event. The group continues to grow the next generation of leaders (ages 21-45) and connect members to volunteerism and philanthropy by offering volunteer opportunities throughout the year, along with a mix of personal/professional development and networking activities. Last year, members participated in 37 opportunities to learn, engage and volunteer, including:

- Boosted food security through activities with Helping Harvest Community Kitchen, Hope Rescue Mission, Opportunity House, and the LGBT Center
- Hosted a shelter clean-out project with the Berks Coalition to End Homelessness
- Assembled and donated self-care kits for Safe Berks
- Hosted a workshop led by ELU member Adrian Heredia, "AI for Impact: Unlocking Technology to Amplify Your Mission"
- Supported the Olivet Boys and Girls Club with a holiday party at their Oakbrook location, in partnership with Reading Truck.

- **Leadership Berks** trains and develops individuals to serve in nonprofit leadership roles through a 9-month, curriculum-based and experiential program with participants meeting once a month. The cornerstone of the program is participants completing service projects and placement with local agency boards and committees to assist nonprofits. The 2025-26 Leadership Berks class of 34 members completed six projects benefiting: Bring the Change, Reading Area Firefighters Museum, The Heritage at Green Hills, Olivet Boys & Girls Club of Reading and Berks County and Opportunity House.

The 2026 class graduated 34 individuals who will serve on boards and/or committees of 32 local nonprofits. Classes kick off every September.

- **United Way's Volunteer Center** connects individuals, families and employee teams with volunteer activities year-round to serve with community-based organizations. The Volunteer Center coordinates United Way's signature annual events, like Big Cheese and Day of Caring, as well as recruits volunteer tutors for Ready.Set.READ!

It also publishes the annual Summer Youth Volunteer Guide and a Holiday Volunteer Guide.

BIG CHEESE BIG SUCCESS

Our volunteers are the best! At Big Cheese 10, more than 500 volunteers came together to make gouda things happen by packaging 250,000 meals for neighbors across Berks County.

Distributed by our partners at Helping Harvest and Reading School District, these meals will help ensure a child has a healthy breakfast to focus in school and provide relief to families working hard but still struggling to make ends meet.

We are grateful to our lead supporter, FirstEnergy Foundation, and to American Crane & Equipment Corporation, Members 1st Federal Credit Union, and GIANT for helping make this event possible.

Check out the video to see volunteers in action at Big Cheese 10!

| CHAMPIONS FOR COMMUNITY

Tocqueville SOCIETY

The Tocqueville Society is a leadership giving program existing to foster, promote and recognize the vital importance of community commitment and personal giving at an exceptional level. The Society honors Alexis de Tocqueville, a Frenchman who wrote so enthusiastically of the American spirit of volunteerism and effort for the common good. Members of the Tocqueville Society contribute \$10,000 or more on an annual basis. In 2025, its 167 individuals/couples contributed over \$3.6 million to the campaign. United Way of Berks County's Tocqueville Society ranks first in membership nationwide compared to like-sized communities. We are grateful for the overwhelming generosity of our Tocqueville Society and are honored that 80% of our Tocqueville members are Loyal Contributors who have given to the United Way for ten or more consecutive years.
